Dear Sirs

On behalf of.....("the Church") we, the undersigned, being duly authorised signatories, hereby waive all and any rights competent to the Church against the Union, the Group and each and every individual member of the Group from time to time, arising from the provision of negligent, incorrect, incomplete or otherwise deficient or defective advice in relation to the buildings and properties owned, leased, managed or occupied by the Church. You are hereby discharged in respect of any losses which we suffer as a result of such advice. For the avoidance of doubt, this waiver and discharge applies in relation to advice given whether verbally or in writing, and includes any loss or damage resulting from any inspection or investigations carried out by you with a view to the provision of such advice.

In granting this waiver and discharge, we recognise that the advice given by you is given voluntarily, gratuitously and in the service of the Church. We understand and acknowledge that, if we require professional services for which we will have some recourse or redress, we should obtain independent advice from a private firm of good standing and be prepared to meet their professional costs.

To be signed by the Minister, Secretary and Treasurer (or at least 2 authorised officers of the Church). Please complete page 2 where applicable.
